and the permitted action, and permit resistant or sabeta, activity came to the attention of secta realroaders traveling the Frankfurty Cder-Brest-Litovsk line. 2. Between 8 and 11 October 1955 only three or four trains travelled from Frankfurt to Brost per day. There was usually one rentum train, one gasolin train, one refrigerator train, and perhaps one empty train. 3. Between 8 and 11 October only five or six trains per day travelled from Brest Frankfurt; 60 percent of them carried iron ore for processing, and the other 40 percent were empty. 4. According to runors circulating among origade mambers, the brigades are to be disbanded on 1 January 1954, because all reparations shipments will cease as of that date. (1A L/ Comment. Source does not believe that the traffic will let up enough to permit the authorities to carry out such a move.			25X1C		TO
